STANDARDS

Certified in accordance with the Australian Certified Organic Standard and in accordance with the ISO65 accreditation program as accredited by IOAS. The above named operator is licensed to supply or direct the application of the Australian Organic Limited trademark provided the product has been produced in accordance with the Australian Certified Organic Standard by the operator or under the operator's supervision.

Certified in accordance with the Australian National Standard for Organic and Biodynamic Produce as accredited by the Australian Government Department of Agriculture.

USDA certification confers the right to label and market listed certified products or services with the internationally recognised logo. Australian Certified Organic (ACO), as an accredited organic certifier with the United States Department of Agriculture (USDA) deems this business to be fulfilling the requirements detailed in the National Organic Program (NOP) for product identified in Annex. Certified Organic under the US National Organic Program 7 CFR Part 205. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked. USDA Certified since: 21/Jul/2003 // **USDA Anniversary date: 30/09/2015 12:00:00AM**

Certified in accordance with the IFOAM Program Standard and in conformity with the Australian Certified Organic Standard and in accordance with the International Federation of Organic Agriculture Movements and ISO65 accreditation programs as accredited by IOAS. The above named operator is licensed to supply or direct the application of the IFOAM approved Australian Organic Limited trademark.

A handwritten signature in black ink, appearing to read "M Baker".
